ABOUT THE EVENT

We believe life happens for you, not to you. This was never truer than the fall of 2022 when Leo received a prostate cancer diagnosis at the age of 49. His diagnosis came as a stark reminder that cancer knows no bounds and can affect anyone, long before the recommended time for early detection testing. During this journey, we both realized there is a significant lack in resources for men facing a cancer battle. With Brandy serving as the Sue's Gift Board President, we see resources available to women, but we found nothing of the same nature for men - who need it just as much. This was a huge wakeup call that we had to do something.

Determined to make a positive change and bridge the gap in resources and support, we decided to create the "No Cancer November" fundraiser. This annual event serves a dual purpose: to raise awareness about the critical importance of resources and early detection for prostate and gynecologic cancers and to destigmatize and normalize conversations around these diseases.

Ladies and gentlemen, high-rollers and heart-healers, mark your calendars because the most dazzling soirée of the season is about to hit Colorado Springs! Picture this: Roulette wheels spinning, blackjack cards flying, and dice rolling in full force. Our casino tables are hot! Whether you're a seasoned pro or a lucky novice, ante up and let the chips fall where they may. But that's not all—prepare to be spellbound by our resident magician, and groove to the beat spun by our DJ. Dine on gourmet bites, sip cocktails and wines, or toast with some bubbly. Bid like your life depends on it in our silent auction showdown. Welcome to the COS Hub, where spaciousness meets chic, smack dab in the heart of Colorado Springs. Why attend? Network with the city's crème de la crème, celebrate life, and make a difference—all proceeds benefit Sue's Gift and Zero Prostate Cancer.

Even when the house wins, it's all in great fun for a good cause!

This is more than a fundraiser; it's a celebration of life, love, and the power of community. See you at the tables, the dance floor, and the silent auction showdown. Let's roll the dice, spin the wheel, and kick cancer's butt!

OUR GOAL

In 2024, the Nunes Foundation was established with a mission to raise awareness and resources for various charitable causes. Through our strong community connections and partnerships, we aim to spotlight nonprofits providing essential resources to our community. The Nunes Foundation supports a wide range of initiatives, including human services, animal welfare, and environmental impact. Our annual fundraiser, No Cancer November is dedicated to raising awareness and funds for gynecologic and prostate cancers. All proceeds from this event benefit Sue's Gift and Zero Prostate Cancer, two organizations that provide invaluable support and resources to those affected by these diseases.

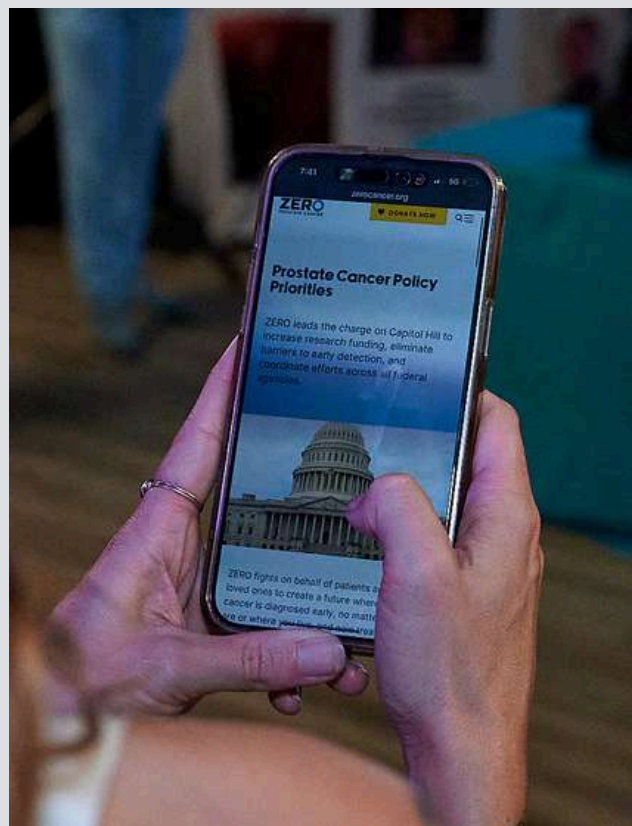

Prostate cancer affects 1 in 8 men, the same odds as women getting breast cancer, yet it remains under-discussed. September is prostate cancer awareness month, but we don't see the same level of visibility as we do for other cancers. It's crucial to normalize the conversation around prostate cancer and create a supportive community with ample resources and awareness. Similarly, women's health often focuses on breast cancer, overshadowing gynecologic cancers, which are typically more fatal due to late detection. By focusing on these two causes during our casino night, we aim to bring much-needed attention and support to these critical health issues.

In 2022, we donated \$4,500!

In 2023, we donated \$7,000!

In 2024, we donated \$10,500!

Our 2025 goal is \$20,000!

AUDIENCE DEMOGRAPHICS

With a reach of about 20,000 through our network partners, social media, and affiliates, our target audience includes men and women between the ages of 30 and 60, representing 44% of Colorado Springs. This event will draw a vibrant mix of business professionals, small business owners, and entrepreneurs, all eager to network and support a worthy cause. City officials and members of the military community will also be in attendance, bringing their unique perspectives and commitment to community service. Additionally, community influencers who are passionate about making a difference will be present, adding to the event's dynamic atmosphere. A significant focus is on veterans, who have a higher risk of cancer diagnosis, making their participation and support particularly meaningful.
