ABOUT THE EVENT

Friday, November 13, 2026 | 6:00–11:00 p.m. | COS City Hub

In 2022, Leo Nunes was diagnosed with prostate cancer at age 49—an age when many men do not yet expect to be navigating a diagnosis. His diagnosis exposed a painful gap: too many people facing prostate or gynecologic cancer are left navigating fear, financial strain, and life-changing decisions without enough support or a community that understands. This was a wakeup call that we had to do something.

Your sponsorship helps make sure no one faces cancer alone—whether that means emergency financial assistance for a woman in treatment, peer support from a survivor, prostate cancer education, advocacy, or resources for patients and caregivers.

EVENT DETAILS

An Unforgettable Night for an Unforgettable Cause

Get ready to roll the dice for a meaningful night out at the 5th Annual No Cancer November Casino Night!

The Evening Includes:

- Professional casino-style gaming
- Heavy hors d'oeuvres and unlimited beverages
- DJ, magician, specialty experiences, and silent auction
- Networking with Colorado Springs leaders and changemakers

Join Colorado Springs business leaders, community advocates, survivors, caregivers, and friends for an evening of casino-style gaming, great food and drinks, entertainment, connection, and giving back. Guests will enjoy professional casino tables, a live DJ, magician, silent auction, specialty experiences, gourmet bites, cocktails, and plenty of opportunities to win big—all while supporting two vital cancer organizations.

This event is designed to bring people together for an incredible evening with a purpose far greater than the game. Every spin of the wheel, bid in the silent auction, and sponsorship commitment helps support **Sue's Gift and ZERO Prostate Cancer**—organizations providing financial assistance, peer support, education, advocacy, and resources for people impacted by gynecologic and prostate cancers.

This is more than a fundraiser. It is a celebration of resilience, a show of support for those facing cancer, and a reminder that no one should have to navigate this journey alone.

When the house wins, cancer loses.

OUR GOAL

Raising Funds. Building Awareness. Creating Hope.

No Cancer November was created from a deeply personal place—and with a clear purpose: to make sure people facing prostate and gynecologic cancers have access to the support, resources, and community they need.

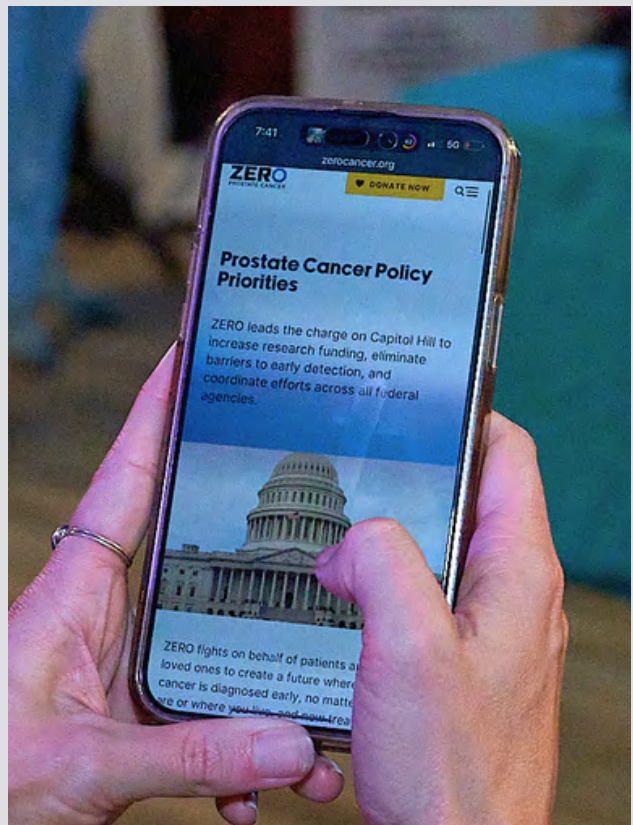

Through the Nunes Foundation, we created No Cancer November to shine a light on two often under-discussed cancer communities: prostate cancer and gynecologic cancers. Every dollar raised supports our charity partners, **Sue's Gift and ZERO Prostate Cancer**, whose work provides financial assistance, peer support, education, advocacy, and critical resources for patients, survivors, and caregivers.

Prostate cancer affects 1 in 8 men, yet it is still too often surrounded by silence. Gynecologic cancers are also frequently detected late, when treatment can be more difficult and outcomes more serious. By bringing these conversations into the open, we can encourage earlier action, reduce stigma, and remind those affected that they are not alone.

Our Impact So Far:

- 2022: \$4,500 donated
- 2023: \$7,000 donated
- 2024: \$10,500 donated
- 2025: \$28,000 donated

Our 2026 goal is \$40,000!

Your sponsorship helps turn a single night of celebration into year-round support, meaningful resources, and hope for people facing cancer in our community and beyond.

THE PEOPLE IN THE ROOM

No Cancer November is more than a fundraiser—it is a powerful gathering of the people helping shape Colorado Springs.

Last year, our event sold out with 135 guests, bringing together a highly connected mix of local business owners, executives, entrepreneurs, nonprofit leaders, medical and wellness professionals, media influencers, military-connected families, civic leaders, survivors, caregivers, and community advocates.

These are the people who build businesses, lead organizations, make referrals, champion local causes, and influence where our community spends, partners, gives, and grows.

In 2026, we are expanding into a larger space to welcome even more of Colorado Springs' most engaged and influential people. Sponsors receive meaningful visibility before, during, and after an evening designed for connection, celebration, and purpose.

Your brand will not simply be seen by attendees—it will be associated with a cause that matters deeply to the people in the room. It is an opportunity to build relationships, strengthen local reputation, and stand alongside a community committed to making a real difference for families impacted by cancer.

Be in the room where business, community, and impact come together—and where your support helps turn connection into meaningful change.

Expected 2026 reach:

- 200+ guests
- 20,000+ potential combined community and social media reach

THANK YOU FOR THE SUPPORT!

Your sponsorship of No Cancer November is more than a contribution to a great event—it is an investment in hope, support, and real people facing cancer.

Hosted by Nunes Partners through the Nunes Foundation, No Cancer November brings our community together to raise awareness and critical funds for prostate and gynecologic cancer support. Every sponsorship, ticket, auction bid, and donation helps strengthen the work of our charity partners, Sue's Gift and ZERO Prostate Cancer.

100% of net event proceeds benefit Sue's Gift and ZERO Prostate Cancer.

Your support helps provide meaningful resources for patients, survivors, and caregivers, including financial assistance during treatment, peer-to-peer support, education, advocacy, and access to trusted information when it matters most.

Together, we can help make sure no one feels alone while navigating a cancer diagnosis. We can create more conversations, encourage earlier action, and bring practical support to families when they need it most.

Thank you for standing with our community and helping us turn one unforgettable night into a lasting impact.

Let's roll the dice, raise the stakes, and kick cancer's butt—together.
